

IREM KILICARSLAN

Date of Birth : Feb 05, 1990
Address : Technikerstrasse 9b, App.357 6020 Innsbruck/Austria
Gsm : +43 660 2308858 +90 536 8934893
E-mail : kilicarslanirem@gmail.com
irem.kilicarslan@uibk.ac.at
Nationality : Turkish
Civil Status : Single
Driver's License: Class B

Education :

M.Sc.	Ege University - Faculty of Life Science, Neuroscience	2014-2016
B.Sc.	Ege University - Faculty of Pharmacy	2008-2013
B.B.A.	Anadolu University - Faculty of Business Administration	2008-2014
High School	T.C. Ziraat Bank Balikesir Science High School	2004-2008

Language Skills :

Turkish: Native
English: Advanced
Italian : Upper-Intermediate
French : Elementary
German: Elementary

Other Skills : Windows (all versions), all Office Programs

Research Experiences:

2015 Summer Internship at Neuroscience D., Kennedy Krieger Institute, **Johns Hopkins University**, Baltimore, USA
2012/August Theoretical and practical work about behavioral animal models at **Gulhane Military Medical Academy**, Medical Pharmacology D., Ankara, TURKEY
2011/2012 1 Semester Erasmus Program, **Torino University**, Faculty of Pharmacy, ITALY (Graduation Thesis at Pharmacology D.)
2011/August **Joaquim Chaves** Clinical Analysis Laboratory, Lisbon, PORTUGAL
2010/August Theoretical and practical work about behavioral animal models at **Gulhane Military Medical Academy**, Medical Pharmacology D., Ankara, TURKEY
2009 **TUBITAK** - Genuine Resolution Bringing Ideas Competition
2009 2 Semesters Biochemical Lab Assistant, **Ege University**, Izmir, TURKEY

Kayir H, Kilicarslan I, Kara A, Calik M, Goktalay G, Uzbay T. Effects of harmaline on prepulse inhibition in rats. 22nd Annual Meeting of International Behavioral Neuroscience. June 25-30, 2013, Dublin, Ireland. Abstracts book, p.75 (poster presentation)

Graduation Thesis :

The Metabolic Derangement After High Fructose Diet In the Mouse

Master Thesis :

Effects of nicotinamide treatment on mRNA expression of various enzymes involved in NAD⁺ metabolism in A β (1-42) induced neurodegeneration

Job Experiences :

2010/July Pharmacy Training, Pharmacy Öntan, Balıkesir
2011/July Pharmacy Training, Pharmacy Hancılar, Balıkesir
2013 1 Semester Pharmacy Training, Pharmacy Naturel, İzmir
2010-2011 Local Exchange Officer (LEO) of Ege University Faculty of Pharmacy for SEP/IPSF

Laboratory Skills:

Basic light Microscopy
Cell Culture
Western Blotting
PCR
Agarose and Polyacrylamide Gel Electrophoresis
ELISA
Animal Models
Rat, Frog Handling
SR-LAB Machine (for startle reflex testing)
Transgenesis

Others: Volleyball (holding a license), playing piano, photography
